

## Singapore Comic Con 2019 TIPS & GUIDE TO ACQUIRING XM HANDCRAFTED PIECES

We are very glad to have you with us today at SGCC2019! If you are reading this, you are likely purchasing some of our very limited collectibles. In order to streamline the purchasing experience, please ensure you have the following ready;

1. ONLY REGISTERED MEMBERS will be able to order
  - a. If you do not have an account, sign up now at [www.xm-studios.com/pages/registration.aspx](http://www.xm-studios.com/pages/registration.aspx) via your mobile device. It only takes a couple of minutes!
  - b. If you already have a member account, login via [www.xm-studios.com](http://www.xm-studios.com) to update your particulars. Make sure you have your password ready to avoid holding up the queue.

Not getting ready the above **will cause delays** to you making purchases which means the higher the chance your target collectibles may be sold out by the time it gets to your turn.

2. Available modes of payment: **Credit Card/Nets/Cash/Paypal only**. If you do not have PayPal account, click on "Check Out as a Guest" in the PayPal invoice sent to you and proceed your payment via Visa/Master/Amex card.

**To help with your planning, start reviewing the products available for pre-ordering on the next page.**

### IMPORTANT TERMS & CONDITIONS

Please read carefully as non-compliance can result in your order being delayed or cancelled with your deposit forfeited!

1. All figures are quoted in SGD, unless otherwise stated.
2. Deposits or Full Payments are only refundable or transferable to another product if XM cancels release of said products. XM Studios will ship or allow collection of the products only to the original buyer. Proxies or representatives will not be entertained.
3. For any successful cancellation and monetary refund, a 5% admin charge of the amount to be refunded (or minimum SGD25 whichever is higher) will be charged to customers to cover all administrative and postage costs.
4. Prestige Member discount for eligible products are valid only for customers who has achieved Prestige status at the time of the PO or deposit collection for said product (not after). It is not retrospective. E.g. Customers achieving Prestige status AFTER paying the PO deposit for product A will be charged the full retail price for product A.
5. Before buying, customer should check and confirm whether the XM product is allowed to be sold and shipped to their mailing address. No freight forwarder or PO Box addresses will be entertained. XM reserves the right to cancel and forfeit any orders whose shipping address are not compliant to our licensed zones.
6. Final release date of this product is subject to delays by manufactory or approval factors.
7. Customers are expected to collect the productions and pay any balance remaining within 2 weeks upon notification of collection by XM. If we do not hear from the customer, a reminder via recorded phone call, text message and email will then be sent and collection dated extended for another 2 weeks (Total of 1 month from date of collection notification). Non collection of products after 1 month will be deemed as product cancellation and deposit forfeited.
8. No returns policy. All products sold are strictly non-refundable or exchangeable for other products.
9. Stocks are extremely limited and it is expected that multiple buyers are attempting to buy the same product at the same time (at check-out page). Hence, it is possible to encounter stock not available at the moment buyer clicks 'purchase' – this is not system bug. In rare cases where 2 customers have purchased at the exact same moment causing product to be oversold, XM will issue a full refund to affected customers.
10. Price detailed in the order list does not include Shipping fee and Tax calculation. Final shipping fees will be calculated closer to shipping date and invoiced separately. XM does not charge any customs duty/tax for International shipments. We are not responsible for these charges and cannot provide estimates as to what these charges may be. You may wish to contact your local customs office or post office for further information.
11. By proceeding with this order, you have deemed to have read, understood and agreed to our terms.
